

Matt Patrick
DIRECTOR OF PHOTOGRAPHY | GRAPHICS | EDITOR

With over 17 years of experience in TV and the commercial industry, I have worked as a Director of Photography on prime-time entertainment programs for BBC, ITV, Channel 4, and streaming platforms.

I have extensive expertise in overseeing multi-camera crews and managing productions on set for reality TV shows, podcasts, and studio or location shoots.

My background as a DOP has equipped me with strong leadership skills and a comprehensive understanding of production workflows, which also enhance my video editing capabilities, particularly for promos, short-form online content, and 2D motion graphics. See my Editing work [Here](#)
